Storage Solutions

BOSCH
Invented for life

Bosch Click & Go Storage Solutions: Handle everything from the workshop to the jobsite and back again.

Now more than ever, today's pros – Contractors, Remodelers, Electricians, Plumbers and Installers alike – know that time is money. Studies indicate that pros can easily improve productivity by reducing time spent searching for tools, sorting through their trucks and organizing supplies. The Bosch Click & Go system allows users to efficiently organize, store and transport their tools and accessories.

In addition, Bosch, Sortimo and Knapheide have partnered to bring you innovative tools, storage solutions and the ideal vehicle configuration for the job. Safety, flexibility, efficiency and quick access to the right tools for the job can give you more time in your day to get back to what's really important.

Bosch Click & Go, take back your day!

Bosch L-Boxx® – The intelligent transport and storage system

The Bosch L-Boxx system is the flexible solution for the transport and storage of power tools, accessories and consumables. The innovative click system allows for easy connection and disconnection of any number of L-Boxx, which can also take comfort in the composite.

- ▶ Single-Click Stacking – Easily lock tool cases together for easy transport and handling
- ▶ Top, Front and Side Handles – Three carrying options for comfort in all situations (L-BOXX-1, L-BOXX-1A, L-BOXX-2)
- ▶ Four Compatible Height Options – Choose appropriate size L-Boxx® for various tool sizes
- ▶ Comfortable Locking Clips – Easy to lock and unlock for fast access to tools
- ▶ Water Resistant Design – Prevents water from entering case in the back of your truck or on a jobsite; not IP65 rated
- ▶ Theft Security – Cases are lockable with a padlock
